State of California, County of Los Angeles

I, GERALD ARMSTRONG, declare:

I am the respondent, in the above-entitled action.

This declaration is in support of the motion of respondent for an order extending time within which to file respondent's brief.

The notice of appeal in the above-entitled case was filed on February 24, 1987. On or about February 28, 1990, declarant filed Respondent's Petition For Permission To File Response And For An Extension Of Time To File Response; on March 9, 1990 the court granted declarant's request and extended declarant's time for

filing his response for sixty (60) days from the date of the court's order. Declarant was notified of said extension by telephone conversation with the court's clerk on March 20, 1990. Said extension will expire on May 9, 1990.

Declarant/respondent, In Pro Per, has proceeded with diligence in attempting to prepare a brief and to obtain an attorney to represent him or assist in the preparation of said brief. Because declarant is not an attorney nor is he formally trained in the law, he was unable to adequately prepare said brief. Because of financial limitations, declarant was not able to obtain adequate legal representation until May 1, 1990.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Dated: May 7, 1990

A handwritten signature in black ink, appearing to read 'G. Armstrong', is written over a horizontal line. The signature is stylized and somewhat cursive.
